BLUESTAR®

Unleash Your Inner Chef®

2022 PRODUCT GUIDE

Inspired by Chefs, Designed by BlueStar®

Designed and built in Pennsylvania since 1880, BlueStar® cooking, refrigeration, and ventilation products are handcrafted for discerning home chefs who demand restaurant-quality results in their own kitchens.

Cooking

25,000 BTU Burners
Searing restaurant-style open burners deliver intense even heat, for a rapid boil or high heat sear.

Gentle Simmer Burner
Perfect for melting chocolate, or delicately warming sauces down to 130°.

Integrated Wok Cooking
No additional ring required, get authentic wok cooking at home with even, high direct heat.

Superior Oven Capacity
Extra-large ovens accommodate commercial-size 18" x 26" baking sheets, for easy entertaining and food prep.

Infrared Broiler
Powerful 15,000 BTU infrared burner produces 1850° of heat for broiling in minutes.

Artisan Bake Stone
Create perfectly crisp pizzas and breads at home with our integrated bake stone available on all Electric Wall ovens.

Refrigeration

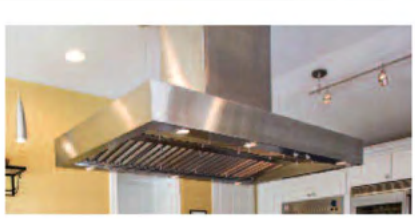
Optimal Food Preservation
Independent dual compressors and evaporators in the refrigerator and freezer ensure foods stay fresher, longer.

Superior Capacity
Over 22.4 cu ft, plus fully-extending, self-close tray is perfect for food prep and entertaining. Plus fits full size baking sheets in refrigerator and freezer.

Pro-Style Design
All stainless steel and glass interiors deliver professional look and superior performance. Theater-style LED lighting provides optimal visibility.

Ventilation

Professional-Grade Power
Featuring enhanced power and performance with whisper-quiet operation from three exhaust settings, plus Boost feature.



Intuitive Operation
Dimmable LED lighting, easy-to-use push-button controls, and stainless baffle filters seamlessly remove for easy cleaning.

Pro-Style Design
Seamless design is paired with heavy-duty commercial-grade materials for uncompromised durability, functionality, and style.
