## Predicted Reliability & Owner Satisfaction

Results in the following chart are gathered from Consumer Reports' 2018, 2019, and 2020 Spring Surveys of 5,838 built-in refrigerators owned by members who purchased a new unit between 2010 and 2020.

Our predicted brand reliability ratings are based on a statistical model that estimates problem rates within the first 5 years of ownership, for built-in refrigerators that are not covered by an extended warranty or service contract. Higher ratings are indicative of better reliability. Brands receiving a red or orange rating cannot be recommended by CR at this time.

Our owner satisfaction ratings are based on the proportion of members who are extremely likely to recommend their built-in refrigerator brand to friends and family.

Your Cabinetry

Fully Flush Custom  
Panel Dishwashers

Custom Design

Match your kitchen's custom cabinetry to our dishwasher for complete integration. Thermador custom panel dishwashers install fully flush for a seamless, integrated look.

Protect Your Fine Wood Cabinets

# FEATURES

## BUILT-IN COFFEE MACHINE

### Automatic Cleaning

Cleanup has never been easier. Using both hot water and steam, the machine features a fully automatic rinse program at turn-on and turn-off, so it's always ready for the next fresh-tasting pour.

### LCD Display

Easy to navigate full color LCD display not only lets you customize your cup but also get your favorite cup in a few easy steps.

### Installation Options

#### Plumbed

With an option for built-in drainage instead of a water tank, Thermador plumbed Built-in Coffee Machines help ensure your machine is ready when you are for your next cup. A water and drain connection eliminate the need to empty a drip tray, while water replenishment flows water directly into your machine from your plumbed water source, eliminating the need to fill a water container.

#### Non-Plumbed

Thermador non-plumbed Built-in Coffee Machines can be installed without an additional water line in your home—enabling installation in the bedroom, guest room, office and beyond.
