DESIGNED TO BE PERSONALIZED

# Bring your kitchen to life through colour & finish

## KitchenAid®

### BLACK ORE

Its rich warmth beautifully complements wood tones and cabinet finishes. This sleek satin metallic finish in deep matte black is an elevated alternative to traditional black stainless steel.

### STAINLESS STEEL

For a clean, classic look, Stainless Steel features PrintShield™ Finish that resists smudges and fingerprints. Red KitchenAid brand medallions on handle end caps add a striking accent.

### JUNIPER

This nature-inspired neutral shifts between green and blue depending on what it sits up against. This lush satin metallic finish brings the outside in, adding beauty and balance to your kitchen.

### MIX AND MATCH TO MAKE IT YOURS

Personalize the handles and knobs of your appliance when you purchase or change up your look later with a fresh new kit.
