DESIGNED TO BE PERSONALIZED

Bring your kitchen to life through colour & finish

KitchenAid®

BLACK ORE

Its rich warmth beautifully complements wood tones and cabinet finishes. This sleek satin metallic finish in deep matte black is an elevated alternative to traditional black stainless steel.

STAINLESS STEEL

For a clean, classic look, Stainless Steel features PrintShield™ Finish that resists smudges and fingerprints. Red KitchenAid brand medallions on handle end caps add a striking accent.

JUNIPER

This nature-inspired neutral shifts between green and blue depending on what it sits up against. This lush satin metallic finish brings the outside in, adding beauty and balance to your kitchen.

MIX AND MATCH TO MAKE IT YOURS

Personalize the handles and knobs of your appliance when you purchase or change up your look later with a fresh new kit.
