

Price Match Guarantee

At Otto's Home Appliances, we believe in providing our customers with the best value. To ensure you always get the best deal, we offer a Price Match Guarantee.

How to Qualify:

1. Get a Quote: Obtain a formal quote from any of our competitors.
2. Bring the Quote: Present the quote to one of our sales associates at the time of purchase.
3. Verification: We will verify the competitor's quote to ensure it is for the identical product, including model number and specifications.
4. Match the Price: Once verified, we will match the competitor's price on the spot.

Terms and Conditions:

- The competitor's quote must be current and provided by an authorized retailer.
- We do not match prices from retailers that require a membership or subscription fee, such as Costco or DirectBuy.
- The quote must include all applicable taxes and fees.
- Price matching applies to identical items, including brand & model number.
- This offer excludes clearance, closeout, refurbished, and special order items.
- Services such as delivery and installation must be clearly listed in the competitor's quote. * If not listed, we will assume these accessories and services are not included.
- Otto's Home Appliances reserves the right to verify the authenticity of the competitor's quote and product availability.
