\*Qualifying purchase amount must be on one receipt. Interest will be charged on the promo purchase from the purchase date at a reduced 9.99% APR, and fixed monthly payments are required until paid in full. These payments are equal to 2.12% for 60 months of initial promo purchase amount and rounded up to the next whole dollar. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. Regular account terms apply to non-promo purchases. For new accounts: Purchase APR is 29.99%. Minimum interest charge is \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval. Minimum monthly payments required. \*\*The estimated monthly payment shown equals the purchase price, excluding taxes and delivery, multiplied by 2.12%.
