# EXPERIENCE. BETTER.

## WHO IS BIG SANDY SUPERSTORE?

Big Sandy Superstore is a home furnishings “superstore” carrying the very best in appliances, electronics, furniture, mattresses and home décor. We are three generations strong, founded in 1953 by Robert W. VanHoose Sr., who was fresh out of the Air Force at the time. With a \$1000 loan from his wife, Lorna, in hand he opened his first store. Mr. VanHoose operated his business under a very basic principle: giving customers the best possible value for the money spent and, if there was ever a problem, following the Golden Rule.

---

## THE GOLDEN RULE

This simple formula has stood the test of time as Big Sandy has grown and is led today by his son, CEO Robert W. VanHoose Jr. and his two sons, Trey and Stephen. Big Sandy Superstore currently operates 19 locations, eight of which are located in the Columbus & Dayton Markets. With Big Sandy Superstore’s commitment to customer experience and quality, we were named the Fastest Growing Home Furnishings Retailer in 2016 by Furniture Today Magazine.

# INSPIRED. EXPERIENCE.

## WHAT IS KITCHENS. INSPIRED.?

**K**itchens. Inspired. consists of the builder, luxury, premium, and commercial divisions of Big Sandy Superstore.

Building on the success of Big Sandy Superstore, Kitchens. Inspired. is now the premiere home furnishings destination for clients of builders, remodelers and designers.

With over 200 years experience in total, our well-educated sales professionals assure every client receives an inspired experience and the kitchen of their dreams.

## Inspired. Installation.

Our delivery and installation team have over 50 years of experience in helping to make your house a home. **WITH 4 BREATH-TAKING SHOWROOMS, 26+ KITCHENS ON DISPLAY AND OVER 250,000 SQUARE FEET OF HOME FURNISHINGS, YOU'RE SURE TO HAVE AN INSPIRED. EXPERIENCE.**

With its fresh take on time-honored forms, Domain Blanc by Bernhardt pushes just past the boundaries of classic design to offer surprises at every turn.

The New TEMPURProAdapt™ Series is TEMPUR-Pedic's most advanced pressure-relieving mattress, featuring the new TEMPUR-APR™ material.

Thermador has sparked new life in the hardest working room of the home, the kitchen.

# SIGNATURE KITCHEN SUITE

## THE LUXURY KITCHEN COMES TOGETHER

**S**ignature Kitchen Suite is embracing a new generation of forward thinking cooks, combining their passion for food with their appreciation for innovation.

Signature Kitchen Suites is bringing luxury built-in appliances, with leading-edge technology, that provide more flexibility to prepare food in the best possible way, demonstrating respect for the food at every level.

Delivering performance, design, and precision, Signature Kitchen Suites honor the ones who are producing it, the ones preparing it, and most of all, the ones lucky enough to be enjoying it.

Just like you, Signature Kitchen Suite wants everything to come out perfectly in the kitchen. You put a lot of thought into what you're making, so they bring the same effort to what they're building. Because ultimately, signature kitchen suite believes having the right tools is the best way to stay True to food™

Signature Kitchen Suite believes the last portion of the path to your table calls for the same consideration. In offering versatile, high precision kitchen appliances, they are proud to be a part of that final step. And Signature Kitchen Suite takes it very seriously. It's why they have created the only pro range on the market with built-in sous vide, allowing you to prepare a steak with the perfect doneness, edge-to-edge, every time. It's the reason they offer so many methods

**“GOOD FOOD HAS A PARTICULAR JOURNEY TO THE PLATE. THE SOIL AND THE SEA, THE PLANT AND THE ANIMAL, THE FARMER, THE FISHERMAN, THE BUTCHER AND THE BAKER HAVE ALL PLAYED THEIR PART. AND EACH DESERVES THE UTMOST RESPECT”**

of cooking on a pro range — sous vide, induction, gas, griddle, true convection and steam, each one designed for the best way to cook whatever your palate has its heart set on. Keeping local produce as close as possible to the way it was picked is the ultimate show of responsibility and respect — it deserves a preservation system grounded on leading innovation and purposeful design.

**BUILT-IN SOUS VIDE**

There's no excuse for an overcooked steak anymore. Introducing the industry's first built-in sous vide, delivering the ultimate in precision cooking, right on the cooktop!

**ZERO-CLEARANCE INSTALLATION**

With the zero-clearance installation, you can count on a tight fit with no unsightly seam between the range and the rear wall.

**SEAMLESS KITCHEN DESIGN**

While your food stays perfectly preserved on the inside, the integrity of your kitchen's design lines is protected on the outside thanks to the middle drawer's standard counter top height

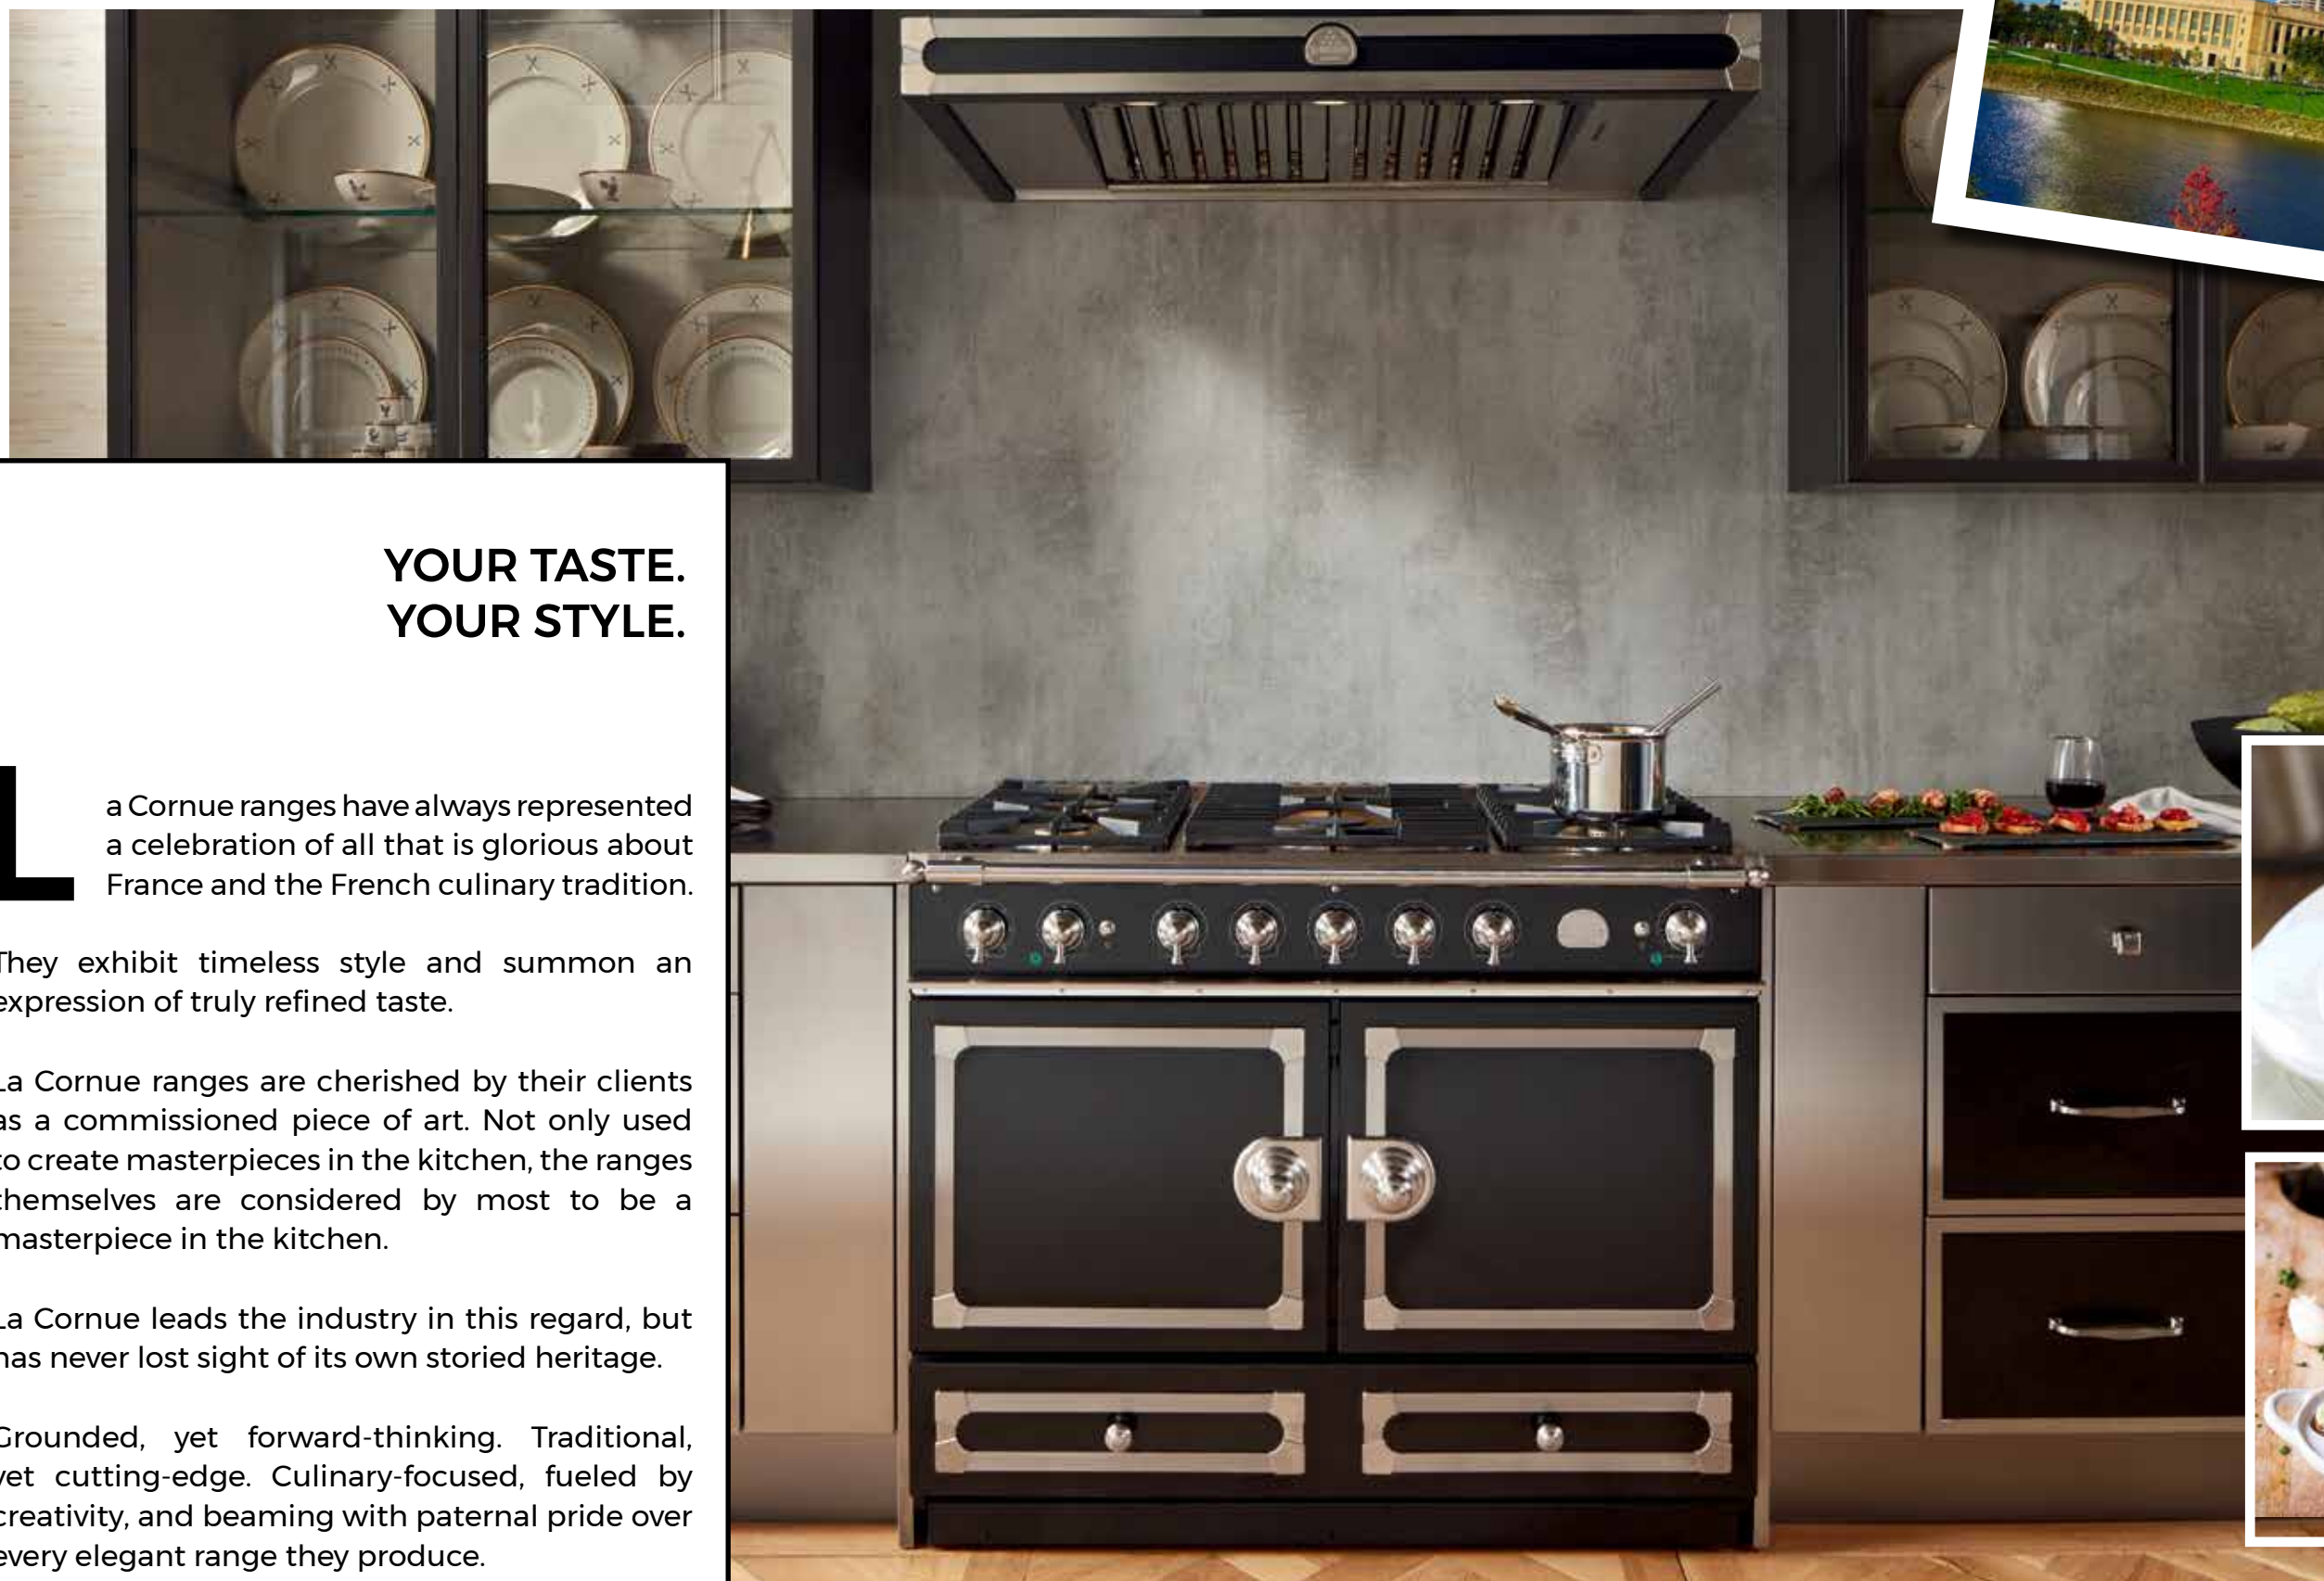

**CHROMIUM GRIDDLE**

The Chromium Griddle delivers consistent, even heating across the entire surface for professional results, and the durable, polished finish resists scratches.

## YOUR TASTE. YOUR STYLE.

**L**a Cornue ranges have always represented a celebration of all that is glorious about France and the French culinary tradition.

They exhibit timeless style and summon an expression of truly refined taste.

La Cornue ranges are cherished by their clients as a commissioned piece of art. Not only used to create masterpieces in the kitchen, the ranges themselves are considered by most to be a masterpiece in the kitchen.

La Cornue leads the industry in this regard, but has never lost sight of its own storied heritage.

Grounded, yet forward-thinking. Traditional, yet cutting-edge. Culinary-focused, fueled by creativity, and beaming with paternal pride over every elegant range they produce.

La Courne ranges are as unique as each owner, and therefore, we believe, something quite extraordinary.

# JENNAIR COLUMNS

## BLACK OUT CONFORMITY

**D**efying physics with the invention of downdraft ventilation, Lou Jenn forged the path to an open concept and changed the kitchen forever.

Founded in that progress, JennAir fearlessly carries his torch — hell-bent on burning down the tired conventions of luxury. JennAir crafts distinctive luxury kitchen appliances that push form and function to transform spaces.

With exceptional performance, masterful execution and provocative design, JennAir offerings are powerful, yet bespoke to individual tastes, shattering norms to deliver the progress that today's luxury consumer deserves.

# BERNHARDT

## FOUR GENERATIONS STRONG

**B**ernhardt Furniture Company was established in 1889, in Lenoir NC, by John Mathias Bernhardt. Bernhardt

is among the country's largest family-owned furniture companies and a leading, diversified, and global furniture manufacturer.

The company operates eight manufacturing facilities and its corporate headquarters in North Carolina, and employs some 1,250 people worldwide including six overseas offices. Their 75,000 sq. ft. showroom is located in High Point, NC. Their furniture is found in homes, offices, hotels, and universities worldwide.

Their furniture has received numerous awards for product design excellence in diverse market segments. The company has earned AHFA's environmental excellence award for corporate performance.

Now led by the fourth generation, Bernhardt remains deeply committed to the values upon which they were founded: high business standards, the artistry of furniture making, the generations of artisans who form the bedrock of our company, and the welfare of their local community.

# THERMADOR

## REDEFINING LUXURY APPLIANCES

Since 1916, Thermador has redefined the kitchen with luxury appliances that provide quality craftsmanship, culinary performance & exceptional design.

From introducing the first built-in wall oven in 1947 to changing the shape of gas cooking with the patented Star® Burner, our thinking breaks both convention and performance limits.

Its heritage of innovation also includes the first downdraft ventilation, first sealed electric cooktop and first Speedcooking oven.

### **BUILT UPON A CENTURY OF INNOVATION**

Thermador is not defined by innovation for innovation's sake, however, handcrafted appliances and every feature and control are designed to make cooking easier, better and more rewarding. We are hotter, cooler, faster, and better than every other luxury appliance brand.

Thermador's passion for innovation and high performance started in the manufacturing of electric appliances and rapidly sparked new life in the hardest working room of the home, the kitchen. A century later, that commitment to quality and craftsmanship can be experienced in their world-class cooking, refrigeration and dishwasher collections, considered by many to be the pinnacle of luxury in today's kitchens.

**EXCLUSIVE, PATENTED STAR® BURNER**

The Star Burner delivers 56% more coverage with superior flame spread and a reduced cold spot for faster and more even heating across any size pan.

## FREEDOM® FULL SURFACE INDUCTION COOKTOPS

The Freedom® Induction cooking surface automatically detects the presence of your cookware. If you need to move your pot to another location, the cooktop will transfer all of your programmed settings to the new position of the pan.

## THERMAFRESH SYSTEM

Controlled independently, the ThermaFresh System provides humidity control and temperature management where you need it most.

## OPEN DOOR ASSIST

Thermador Auto Door Opening technology adds a luxurious touch as well as an option for a sleek, handleless design

# VIKING RANGES

## WELCOME TO THE NEW VIKING!

**V**iking's dedication to innovation and the development of new technologies has dramatically improved the quality, performance and functionality of our products.

ADVANTIUM OVENS

PIZZA OVEN

Designed to match the capabilities of the best restaurant pizza ovens to help home chefs achieve the perfect slice.

TRUE EUROPEAN CONVECTION

Channels heat air from the top of the oven and circulates it around food on all sides for perfectly uniform baking and roasting.

# BENCHMARK

## SMALL SPACE LIVING THE BIG NEW MOVEMENT

**L**ike the name, Benchmark® Series represents the pinnacle of Bosch design and performance. The Benchmark® Series features signature products like built-in refrigeration, steam and side opening wall ovens, and FlexInduction® cooktops. Designed as a suite, or alone, the Benchmark® Series is sure to beautifully complement any kitchen.

Small space living is no longer seen as a sacrifice or compromise. More and more, people are choosing smaller scale living out of desire, rather than need.

Designing for small spaces, especially kitchens, lends itself to embracing the beauty of simplicity and efficiency. Bosch's suite of 18" and 24" appliances are specifically designed to fit downscaled living, without sacrificing upscale tastes.

Premium in every way, Bosch small scale appliances feature the quality and performance you'd expect in full-size appliances.

# FISHER & PAYKEL

## THE FUNDAMENTAL PRINCIPLES OF SUSTAINABLE DESIGN.

“The Social Kitchen” sums up Fisher & Paykel’s design philosophy.

The kitchen is about people. And when you think about people - their habits, the ways they live and interact - you get a richness of experience that traditional kitchen planning and appliances often ignore.

The Social Kitchen is where food meets design to create food experiences that flip assumptions and start new conversations.

Fisher & Paykel have been leading the world in appliance innovations since the early 1980s. Products like the DishDrawer™ Dishwasher and the CoolDrawer™ Multi-temperature Drawer have not only pioneered new, compact technologies, but have changed appliance design forever. But it is what is on the inside - our SmartDrive™ motors and ActiveSmart™ Foodcare refrigeration technology - that really differentiates Fisher & Paykel as a company of creativity.

# BERTAZZONI

## Family. Food. Engineering.

**F**or more than 100 years, Bertazzoni cooking appliances have helped people bring the best of home-cooked food to the family table. Our inspiration is found in the deep culinary and manufacturing traditions of Emilia-Romagna region. Renowned for its agricultural abundance means all the ingredients for the perfect meal can be found here.

Bertazzoni cooking machines have been available for over a century now, building a reputation based on the quality of engineering and a passion for food. Whatever your cooking style, Bertazzoni products enable you to cook and serve food with precision, flair and flavor.

**Professional Series** - It has been designed as an evolution of its own distinctive style, with elegant knobs, ergonomically designed handles and sophisticated colors. These iconic elements blend design and an innovative approach to function. This signature style has won many design awards since its introduction.

**Master Series** - With all the efficient qualities you expect from a Bertazzoni, this series has a style that's all its own, with a sophisticated color palette that makes an artwork of your kitchen. It blends the best of a commercial kitchen inspired style and advanced technology with fine Italian design.

**Heritage Series** - Built around cooking ranges that would be recognized by Napoleone Bertazzoni in the early 1900's - but that are operated by the engineering technology of the 21st century. Authentic in exterior design yet advanced on the interior, these are modern classics driven by innovation and engineering, with full respect to Bertazzoni's heritage.

# CAFÉ

## IT'S TIME APPLIANCES HAD A PERSONALITY. YOURS.

**Y**ou love your bronze belt with your favorite black dress. Why not add the same touch to your new range? With Café Matte Collection appliances, you can add custom handles and knobs to match, or contrast, your kitchen palette for a custom look.

Just as your style evolves, your rooms do too—from changing out throw pillows to adding new art, your home is your canvas. Now your appliances can keep up. On nearly every piece in the Café Matte Collection, you have the option to change your hardware to a different finish to bring your personal kitchen vision to life. Good interior designs incorporate textures, patterns, finishes, and materials that visually connect the home.

These layers create warmth, depth, and balance that flows throughout your space. Café appliances help complement your kitchen's interior and echo your home's

Accessorize your kitchen like you do your outfits.

# HESTAN

## Culinary Innovation From the Vineyard To the Kitchen.

**V** As a company, Hestan is built upon a shared love of food and innovation. After pioneering nonstick cookware in the 1970s, Hestan founder Stanley Cheng's inventive spirit led him to the commercial kitchen. Then the Hestan team changed the game for outdoor cooking. And now, the home kitchen. Our collective of chefs, engineers, vintners and designers delights in the details of cooking - celebrating and elevating every detail of the culinary experience. The Hestan team spent years working alongside America's most celebrated chefs. As we created award-winning innovations for their kitchens, we followed one cardinal rule: build with purpose. Everything must work exceptionally and without excuse. Every night. So you won't find bells, whistles or gimmicks in the Hestan kitchen - just meticulous craftsmanship, meaningful technology and proven reliability. Hestan was built to meet the needs of the most demanding chefs. And we count you foremost among them. We believe the right use of technology can actually make cooking more personal. Hestan equips you with innovative and intuitive tools to inspire you to spend more time in the kitchen - and love every minute of it.

# LIEBHERR

## IT'S NOT SIMPLY A FRIDGE.

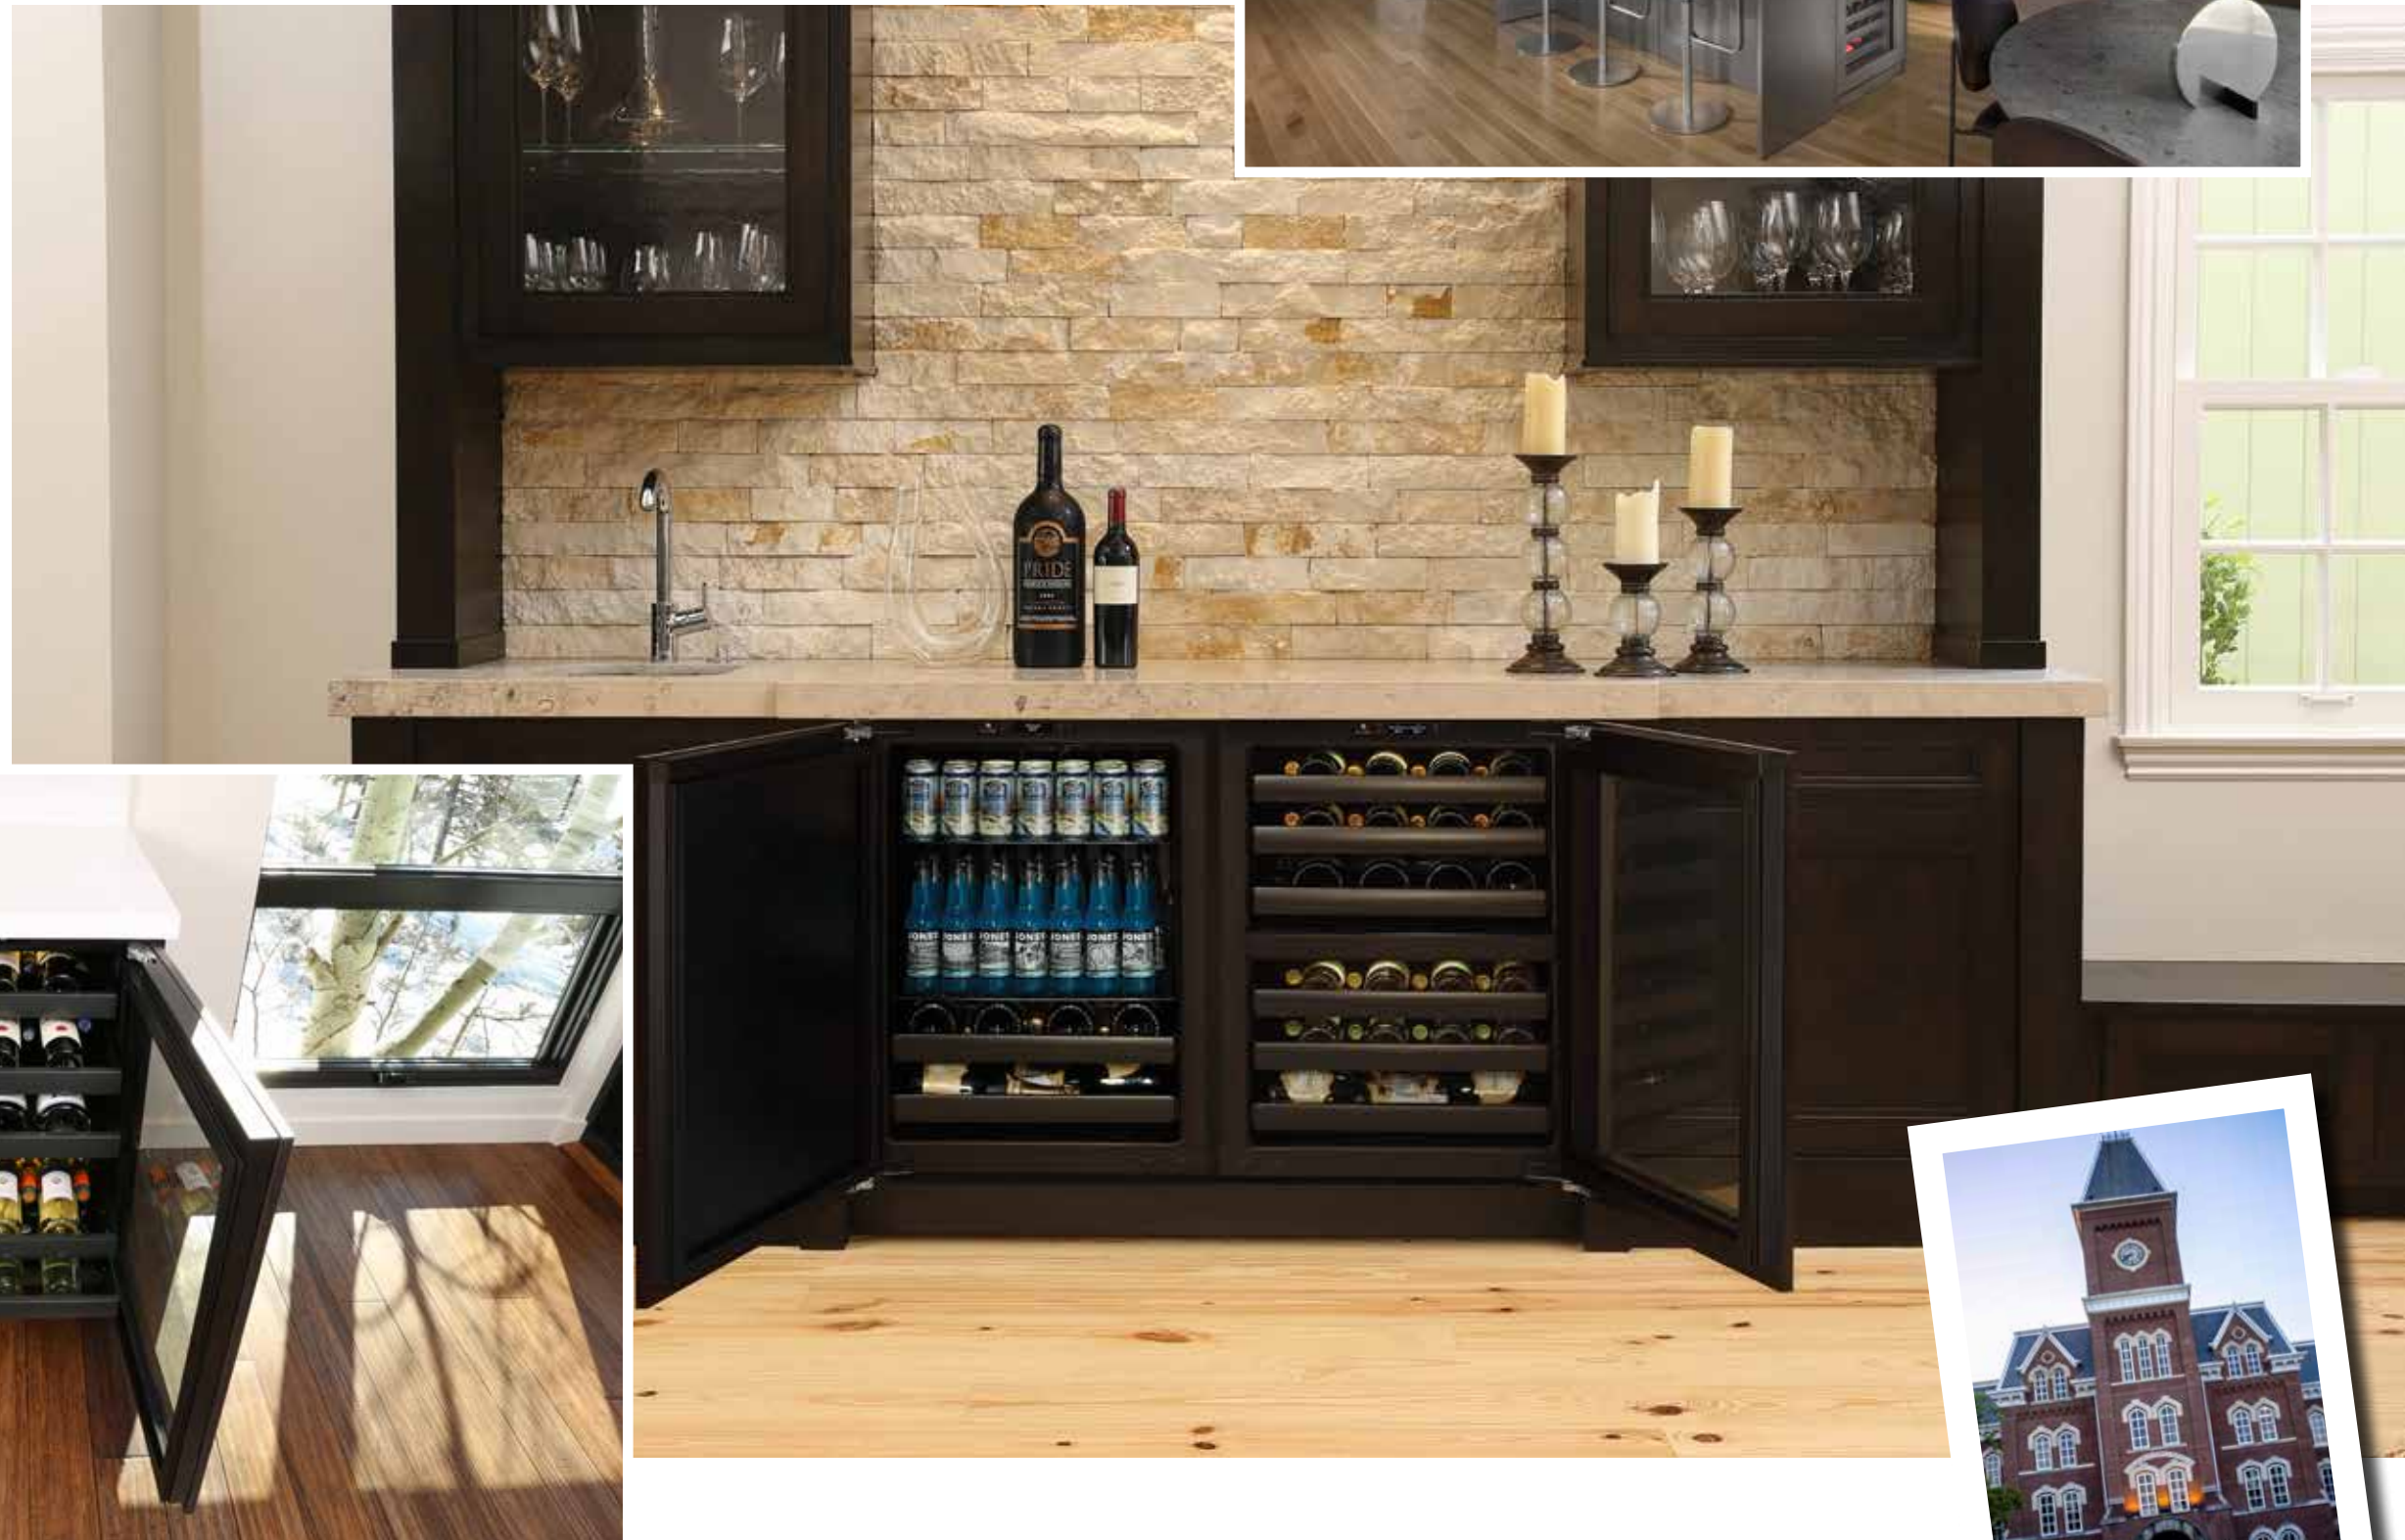

**O**pen-plan kitchens require design-pieces to interact with their environment. The kitchen is the hub of the home, the center-point of social activities. Its design and the incorporated materials have a real effect on the atmosphere and visual perception of the whole living environment. Those who want to have a flush, closed fronted style can seamlessly integrate their appliances into a built-in kitchen. Outstanding design isn't only about external appearances. Inner design harmony is crucial, too. When an appliance is in use, or when it is opened and closed, you become aware of how important design, materials, and workmanship are. Liebherr appliances bring living areas to life with well-balanced lighting concepts, quality materials and harmonious design – inside and out. “It’s a Liebherr” isn’t just about the refrigerator. It is a statement of extraordinary design and outstanding quality.

# U-LINE

## WHAT IS MODULAR REFRIGERATION?

U-Line introduces a revolutionary approach to food and beverage preservation, offering the first flexible design solution that provides a better alternative to conventional “big-box” refrigerators. U-Line’s advanced refrigeration systems, large and flexible capacities, and seamless integration capabilities allow you to preserve the right product, in the right place, at the right temperature. U-Line modular refrigeration products allow you to design your kitchen around you, not your refrigerator.

# DCS OUTDOOR

**YOU'LL NEVER WANT TO COOK INSIDE AGAIN.**

**B**uilding on a heritage of professional cooking appliances, DCS Outdoor Products are available in freestanding and built-in formats.

Built to withstand the extremes of Mother Nature and designed to adapt to your space, DCS has the power and performance to extend your culinary skills in the outdoors.

The company that pioneered the first high-end professional grill continues to innovate and evolve outdoor kitchen design with the highest commercial grade and restaurant quality outdoor grills on the market.

Designed with flexibility in mind, DCS Grills allow the consumer to cook a wide variety of meals and are engineered to deliver the functionality and power demanded by a professional chef.
