

POWER BASE PERFORMANCE PROTECTION PLAN

Structural Adjustable Bed 5 Year Reimbursement Protection Plan

Plan Coverage: Structural or component failure due to normal residential use that results in the breakage of mechanisms, steel frames and welds and includes failure of electrical components including wiring, motors and remote control devices. Parts and labor included. An individual component shall be repaired or replaced a maximum of 2 times at the discretion of Big Sandy Superstore Service. Replacement of the entire product fulfills the warranty. Invoice Limit: \$20,000.

Term-5 Years: All parts and labor are covered under the manufacturer's warranty* for the first year. See individual model for details of proration and extended warranty length. Manufacturer's 800# is located on the back of your remote-call this number for repairs. **It is the customer's responsibility to pay for any parts or labor within the warranty period and submit the paid invoice to Big Sandy Superstore for reimbursement.**

**Glideaway power bases are serviced by Big Sandy Superstore the full 5 years.*

Guaranteed the original purchase of covered TV

If you don't need In-Home Service... You get Full Credit of your Purchase!

That's right! If you do not require in-home service during the life of your Performance Protection Plus program, you can present this card at your local Big Sandy Superstore for credit in the amount of your program's purchase price. You will be issued a store credit equal to the **full purchase price** of the program, which can be used toward the purchase of any new furniture or mattress! This credit is not to

exceed 50% of that next purchase (before tax and delivery, if applicable). For example, if you paid \$199 for your Performance Protection Plus, you would get \$199 toward your \$400 or more furniture or mattress purchase. Credit must be redeemed **within one year** of the Performance Protection Plus program's expiration.
