Congratulations!

Better sleep is just around the corner. Here is what you need to know.

- Your decision to purchase a mattress protector from Miskelly to protect your mattress against stains, which could void your manufacturer's warranty, automatically enrolls you in the **Sleep Comfort Guarantee Program**.

- Normal break-in and adjustment period for a new mattress is 30 days. **Therefore, all brands require customers keep their mattress for a minimum of 30 days from date of delivery or pick up.**

- **Starting Day 31** after the date of delivery or pick up **until the exchange limit for your particular brand is reached**, customers enrolled in the sleep comfort guarantee program may, for any reason, request a **one (1) time reselection for another mattress of equal or greater value.**

- **A 10% handling fee (not to exceed \$149) is charged on the mattress.** Mattress must be free of stains. The original delivery fee is non-refundable. **Exchange must be done on Miskelly delivery truck**, and the customer must pay the appropriate delivery fee.

- The Sleep Comfort Guarantee **does not apply to powerbases or foundations. Powerbases may not be returned or exchanged.** Foundations may be exchanged for reasons of height within 7 days. A 10% handling fee on the foundation and appropriate delivery fee will be required.

- **Due to the highly personal nature of pillows, sheets, and mattress protectors these items may not be returned or exchanged once accepted on delivery or picked up from the store.**
