# WHY ENDURA

## The Endura Difference – Unrivalled Quality and Durability

### DURABLE CONSTRUCTION

The 3/4" marine-grade HDPE is UV and weather-resistant. Cabinets will never rot, delaminate, or splinter and never need refinishing.

### INNOVATIVE TECHNOLOGY

Uniquely constructed with an hidden patented joinery technology for a beautiful finish with no visible fasteners.

### MADE IN THE USA

Discover the excellence of American-made outdoor cabinetry. Endura is manufactured and hand-assembled in Tampa, Florida, with materials sourced from American companies.

### SHIPS IN 7-10 DAYS

Endura ships fully assembled to you or your job site. Allowing you to sell more kitchens with less labor.

### LIMITED LIFETIME WARRANTY

Assures the cabinetry you are buying is of good quality and without manufacturing defects, for years of worry-free enjoyment.

### EASY TO CLEAN

Easy-to-clean surfaces mean you spend more time enjoying your cabinetry and less time cleaning them.

### 100% RECYCLABLE

HDPE has a recycling code of 2, which means at the end of its lifetime, it is easily recycled into usable products for the home and garden.

### ALL-WEATHER

Resists extreme temperatures:  
Freezing: <-75° C (-103° F)

# THE AVA

The image shows a sleek, modern outdoor kitchen island, 'The Ava', set on a dark stone patio. The island features white cabinetry with silver handles and a white countertop. On the left, there is a stainless steel sink with a curved faucet and two small potted plants. In the center, a built-in refrigerator is visible. On the right, there is a built-in grill with a stainless steel control panel and a large, curved, stainless steel cover. The background is a rustic stone wall with a large, dark, rectangular panel mounted on it. The patio is surrounded by lush greenery and trees, and the scene is lit with soft, natural light.
