

JOHNSON BROTHERS
— APPLIANCES —

WALL OVEN

THANK YOU FOR SCHEDULING YOUR OVEN INSTALLATION!

PLEASE ENSURE THE FOLLOWING PRIOR TO DELIVERY:

- ☐ Electrical panel & oven breaker location is known
- ☐ A dedicated circuit & junction box WITH cover is available and mounted in correct spec location
- ☐ Cabinet shelf is sound and in good condition for new product to sit on
- ☐ Specs for product have been met & verified*

If any of this above information is unknown or incorrect, please reach out to your sales associate prior to delivery for assistance.

* Our installers DO NOT make any modifications to cabinets or electrical. Specs for appliance must be met in order for full install completion. Our installers are on a scheduled timed route and cannot wait for alterations to be made. The delivery can still take place but there's no guarantee that the appliance will be installed. **If a reschedule date is needed it is not guaranteed to be immediate. An extra trip charge may be applied for each added visit.**
