

### **Appliance Service Technician**

Haywood Appliance has an immediate opening for an Appliance Service Technician. Refrigeration certification is a plus. If you don't have experience in appliance service but have other technical experience such as electrical or HVAC repair, we would be willing to train. Candidates should be able to help move heavy appliances. Must be able to pass pre-employment drug screening and background check. We look for positive, friendly individuals to provide an excellent customer experience. Technicians have the use of a company truck. Pay is \$18/hr plus commission and can total anywhere between \$50k - \$75k plus tips.

Pay: \$45,000.00 - \$75,000.00 per year including bonuses

Job type: Full-time

Schedule: Monday to Friday, 8am – 5pm

Benefits: Health insurance, Paid time off, Dental insurance, 401(k), Vision insurance, Life insurance, Referral program, Employee discount

Work location: Multiple locations- your day will start at our service department in Clyde, NC.
