

Working at Spichers is all about integrity and doing what is best for the customer. We have been in business since 1955 and have served our community every day since our opening. Though appliances sure have changed over the years, our dedication to finding the best options for our customers certainly has not. Our extensive knowledge in combination with our 'can do' attitude has ensured a unique customer experience where they feel valued. Because to us they aren't just our customers, they're our community.

Description:

Keeping things neat and organized for delivery is a great day, and you know how to work a dolly. Physical work is the only type of work in your opinion, so you never want to be caught sitting at a desk. You like working with a team of equally hard workers, because a smooth flowing process ensures all the product gets out the door in one piece.

What we're looking for:

- Someone who is up for physical labor, no need to go lift after a day full of work here!
- A team player
- Ever like peeling back the layer of plastic over a new device? We've got that on every new appliance needed to be prepped before going out the door
- You know your way around a dolly, or ready to learn
- As excited as the customer is to install the new products in their home! Great customer service skills is a must
- You must have a valid driver's license and an excellent driving record
- We're sending you out into our neighbor's homes, so you must pass a drug and background check

Perks and Benefits

- Hourly rate with a benefits package
- Team work environment
- We're always working with our team if they want to learn something new! If you see any part of the business you'd like to learn, we're ready to teach

If you're still readin' this, I'm sure you're ready to apply! Please email info@spichers.com your resume and we will get in contact with you!
