To Our Customers and Friends,

We're incredibly grateful for the overwhelming support and kind words you've shared during the first phase of our liquidation sale. We cannot say thank you enough to all who made purchases in the last couple of months!

Now, we're excited to announce Phase Two, with accelerated markdowns on all remaining liquidation merchandise! Don't miss out on these incredible savings – once they are gone, they're gone for good. Phase Two is starting now!

If you have any Patzer Bucks, Patzer Rewards or any other non-expired certificates, please redeem those now as that program will be discontinued.
