*To Our Customers and Friends,*

After 58 years of serving our community, we are announcing the bittersweet decision to liquidate our hardware, appliance, and furniture stores.

Reflecting on these decades fills us with immense gratitude for your trust and support. Lyle and his wife Rose will be moving on to a new chapter in life but as we close this chapter, a new one begins!

Mark, Austin, and the crew will stay right here on Main Street with a bigger and better-than-ever Outdoor Power Equipment lineup, TORO products, and top-notch small engine service.

It has been an honor serving you, so please take advantage of great savings while we move forward!

**HUGE  
DISCOUNTS**

*Since we will continue with Toro Lawn equipment sales and service, outdoor power equipment will not be a part of the liquidation but there will be an extra savings on TORO just for this event*
